### Eligibility Overview:

The DoD SkillBridge Programs are available to transitioning military Service Members within their last 180 days of active duty. Service Members must have the required time remaining on their contract to complete the program, have completed TRS, and received command approval.

### The Application Process

Contact the SkillBridge program POC with your interest in securing a seat.

- To see a list of approved programs visit: <https://dodskillbridge.usaleaming.gov>
- The program representative will inform you about your eligibility based on your EAS and answer any additional questions or concerns. The meeting you have with the POC can help determine if the program of interest fits your future goals before you fully commit.
- The Education Office staff are NOT responsible for securing a class seat for you.

### Selection / Acceptance into the Course:

- Applying to a program does not guarantee acceptance. Due to limited seats, most programs are competitive, utilizing a selection process that may include an interview, an exam, a scoring system, or a resume. Please adhere to the course due dates and any additional information required. You will be notified of your acceptance by the program's representative.

### Complete Application Packet:

- Secure proper signatures on the attached documents. The approval authority to participate in any SkillBridge program is the first field grade commander in your command (O4 or above).
  - a). USMC SkillBridge Packet Checklist
  - b). USMC SkillBridge Participant Screening
  - c). Command Authorization Letter
  - d). SkillBridge Provider Acceptance Letter

**If AND ONLY IF** the Service member is starting a program outside of their 180-day window or if they plan to EAS while attending a SkillBridge Program, an approved Administrative Action (AA) Form, signed by an O4 or above and the Service member, will be required as part of the application packet. Each AA Form will be vetted by an Education Specialist before being sent to HQMC for approval. The Education Specialist will notify the Service member of the decision. Packages requiring an AA Form must be submitted no later than 30 days before the course start date. If the Service member is starting and finishing the program within the 180-day window, no AA Form is required.

Once accepted, your application will be considered official.

For more information, please call 252-466-3500 or visit the Education Office in the Jerry Marvel Training and Education Building, BLDG 4335, Room 109.
