Marine Corps Base, Camp Lejeune

2 of 11

Service: Marine Corps

Program: Airstreams Renewables, Inc.

Location: Camp Lejeune, NC 28547

Description: This course prepares transitioning service members for an entry-level position in the wind turbine, cellular communication tower and many other industrial focused industries, such as oil and natural gas. Students will learn a complete complement of safety and technical modules. Emphasis will be placed on working safely in all aspects of the technician job and basic technical skills. Airstream assists service members with resume writing, setting up interviews with employers and job placement.
